servostar® 1/1 640 - 3 shelves assembled

The stylish universal trolley.

The sturdy serving trolley in a lightweight design is suitable for any transport, whether for serving, clearing or carrying – a simple mobile helper.

Available with 2 to 3 shelves depending on the scope of transport required. With a choice of stainless steel or galvanised castors. Also available on request with air-filled castors to provide even better insulation against transport noise. Can also be individually designed with shelf inserts made of coloured glass or formica. The shelf area of the servostar® can also be used flexibly as a preparation area with a matching cutting board.
