Rack trolley for K|POT® 1/1 - corner bum

The practical K|POT® transport trolley.

The practical and stable K|POT® shelf trolley is suitable for the safe transport, storage, clearing or conveyance of GN 1/1 K|POT® units as an uncomplicated, mobile helper.

K|POT® GN 1/1 models can be inserted without slipping on the 9 pairs of support rails. The power cable of the K|POT® can also be safely stowed in the support brackets.
