## Serv. troll. 850L-3 assembled soft cast.

**The universal trolley.**

The sturdy serving trolley in a lightweight design is suitable for any transport, whether for serving, clearing or carrying – a simple mobile helper.

Available with 2 or 4 shelves and different shelf sizes depending on the scope of transport required. Also available on request with air-filled castors to provide even better insulation against transport noise. As an additional accessory, a matching stainless steel clearing container can be easily attached to the pushing handle. The shelves can also be equipped with an extra gallery made of round stainless steel for slip-resistant transport.
