GN rack trolley 2/1 - corner bumpers

The universal GN system trolley.

The sturdy rack trolley is suitable for transporting, storing, clearing or carrying food in a GN system - a simple mobile helper.

Thanks to the space-efficient configuration with GN containers and GN thermoplates® in combination with the transport-safe, watertight press-in lid or in a vacuum with the vaculid® lid. Also compatible with any GN trays, GN grilles and GN insert trays for multifunctional use.

Available with a matching insulation hood for additional thermal protection in cold/hot food distribution or with a dust cover for optimal hygiene. Stylish appearance can be customised with coloured formica or classic stainless steel panelling on 3 sides. Also available on request with antistatic castors to avoid static electricity.

For an overall mobile concept, perfect in combination with other mobile products, such as thermoport® made of plastic and stainless steel as well as transport and serving trolleys.

TECHNICAL SPECIFICATIONS

GN rack trolley 2/1 - corner bumpers

TECHNICAL SPECIFICATIONS

Dimensions	656 x 747 x 1641 mm
