

Data sheet

Tray & cutlery trolley 1-comp., napkin

The universal tray and cutlery trolley with a napkin dispenser

More Info

The sturdy trolley is suitable for dispensing, storing and transporting trays and cutlery in the four cutlery inserts – a simple, mobile helper. The mounted napkin dispenser creates additional user value.

Compatible with any GN and EN trays for multifunctional use. For an overall mobile concept, perfect in combination with other mobile products, such as thermoport® made of plastic and stainless steel as well as transport and serving trolleys.

Also available on request with antistatic castors to avoid static electricity.

For an overall mobile concept, perfect in combination with other mobile products, such as thermoport® made of plastic and stainless steel as well as transport and serving trolleys.
