Data sheet

HAK-K wall version 506075

The space-saving hand wash-basin combination.

The practical combination of hand wash and sink, with a single lever mixer tap in the wall-mounted version for efficient, time-saving, and hygienic work. Due to the stacked basins, the implementation of a space-saving spatial concept is enabled. Beneath the cover, there is a plastic insert grate. Deep-drawn basins prevent the formation of dirt joints.

The hand wash-sink combination is optimally suited for use in the kitchen or various other applications. Efficient time management as well as hygienic food preparation is facilitated by the combination of sink and hand wash basin.

TECHNICAL SPECIFICATIONS

HAK-K wall version 506075

TECHNICAL SPECIFICATIONS

Dimensions	500 x 600 x 750 mm
Material	stainless steel 1.4301 (CNS)
