

Data sheet

Transport trolley - thermoport® 10

The mobile transport trolley for thermoport® 10 models.

More Info

All thermoport® 10 models or their individual parts can be transported safely and easily with the robust transport trolley. Safe storage due to the sloped base. The stacking system of the thermoport® models prevents slipping.

For an overall mobile concept, perfect in combination with other mobile products, such as thermoport® made of plastic and stainless steel as well as transport and serving trolleys.

Also available on request with antistatic castors to avoid static electricity.

For an overall mobile concept, perfect in combination with other mobile products, such as thermoport® made of plastic and stainless steel as well as transport and serving trolleys.
