Spice trolley 2 wells

The mobile spice trolley.

The sturdy trolley is perfect for storing and transporting different spices in two separate spice containers. The lower well is separated into eight compartments, ideal for storing spice jars.

For an overall mobile concept, perfect in combination with other mobile products, such as thermoport® made of plastic and stainless steel as well as transport and serving trolleys.

Also available on request with antistatic castors to avoid static electricity.

For an overall mobile concept, perfect in combination with other mobile products, such as thermoport® made of plastic and stainless steel as well as transport and serving trolleys.
