

Data sheet

varithek® 400-pf-8000-SP (1,0)

The pasta fryer module.

More Info

The acs® setting or tabletop module opens up a balanced, coherent and ergonomic overall picture through their new design. Digitally controllable and powerful heating field under the unique SWISS-PLY multilayer material basin bottom for cooking and frying, suitable for matching GN hanging sets. Hereby significant energy saving in use, due to the multilayer aluminum bottom in the core with its up to 10x better conductivity, compared to pure stainless steel, wrapped with the hygienic advantages of stainless steel. Due to the integrated temperature sensor, the temperature accuracy can be adjusted to +/- 1 °C.

Functional assembly with a pasta set for fresh pasta (1 hanging frame, 2 pasta baskets GN 1/3, 2 pasta baskets GN 1/6) or with a fritter set for crispy fried food (1 hanging frame, 2 deep-frying baskets GN 1/3).

All varithek® modules are normed and can therefore be flexibly combined and exchanged for precise fitting in acs® front cooking stations or as table-top units on any commercially available worktop.

TECHNICAL SPECIFICATIONS

varithek® 400-pf-8000-SP (1,0)

TECHNICAL SPECIFICATIONS

Material	stainless steel 1.4301
Dimensions	400 x 708 x 212 mm
Weight	18,5 kg
Connected load	8 kW
Rated voltage	3N AC 400 V 50/60 Hz
Plug type	CEE-Plug 400V/16A
Cable length	1000 mm
Protection class	IPX4
Work surface	SWISS-PLY
Field version	full-surface
Ambient temperature	+10°C to +35°C

Order number 91 10 01 72

BENEFITS

Housing made of stainless steel, rustproof, hygienic, high-quality satin finish.

Basin seamlessly welded in, with integrated laser-welded bottom made of SWISS-PLY multilayer material.

Immediate heat transfer and even heat distribution.

Safety drain valve on operator side right.

Control element on the inclined front surface with digital temperature control.

Stable, foldable aluminum handle for uncomplicated and easy handling.

Non-slip due to 4 support feet on the bottom of the housing.

No dirt gaps, easy to clean surface, baskets dishwasher safe.

Drain valve for safe and easy cleaning.

Splash-proof (IPX4).
